

HAYLEYS FENTONS LIMITED

EXPANDING THE LEGACY AND SHAPING THE FUTURE

An aerial photograph of the Sigiriya rock fortress in Sri Lanka. The fortress is a massive, flat-topped rock formation rising from a dense, green forest. The top of the rock is covered with ancient ruins, including walls, courtyards, and a central pond. The surrounding landscape is a vast, lush green forest that stretches to the horizon. In the background, another smaller rock formation is visible. The sky is a soft, hazy blue.

About Hayleys Fentons Limited

Hayleys Fentons Limited, founded in 1919, is one of the first engineering companies to be founded in Sri Lanka. With over a hundred year legacy in solar, ICT, security, MEP (Mechanical, Electrical and Plumbing), facility management and several other vertices of engineering, Hayleys Fentons has grown to become a trusted pioneer in the industry that has made its mark, and established an undisputed reputation across banking, finance, insurance, hospitality, high-rise developments, stadiums, education, healthcare, manufacturing, and telecommunication sectors.

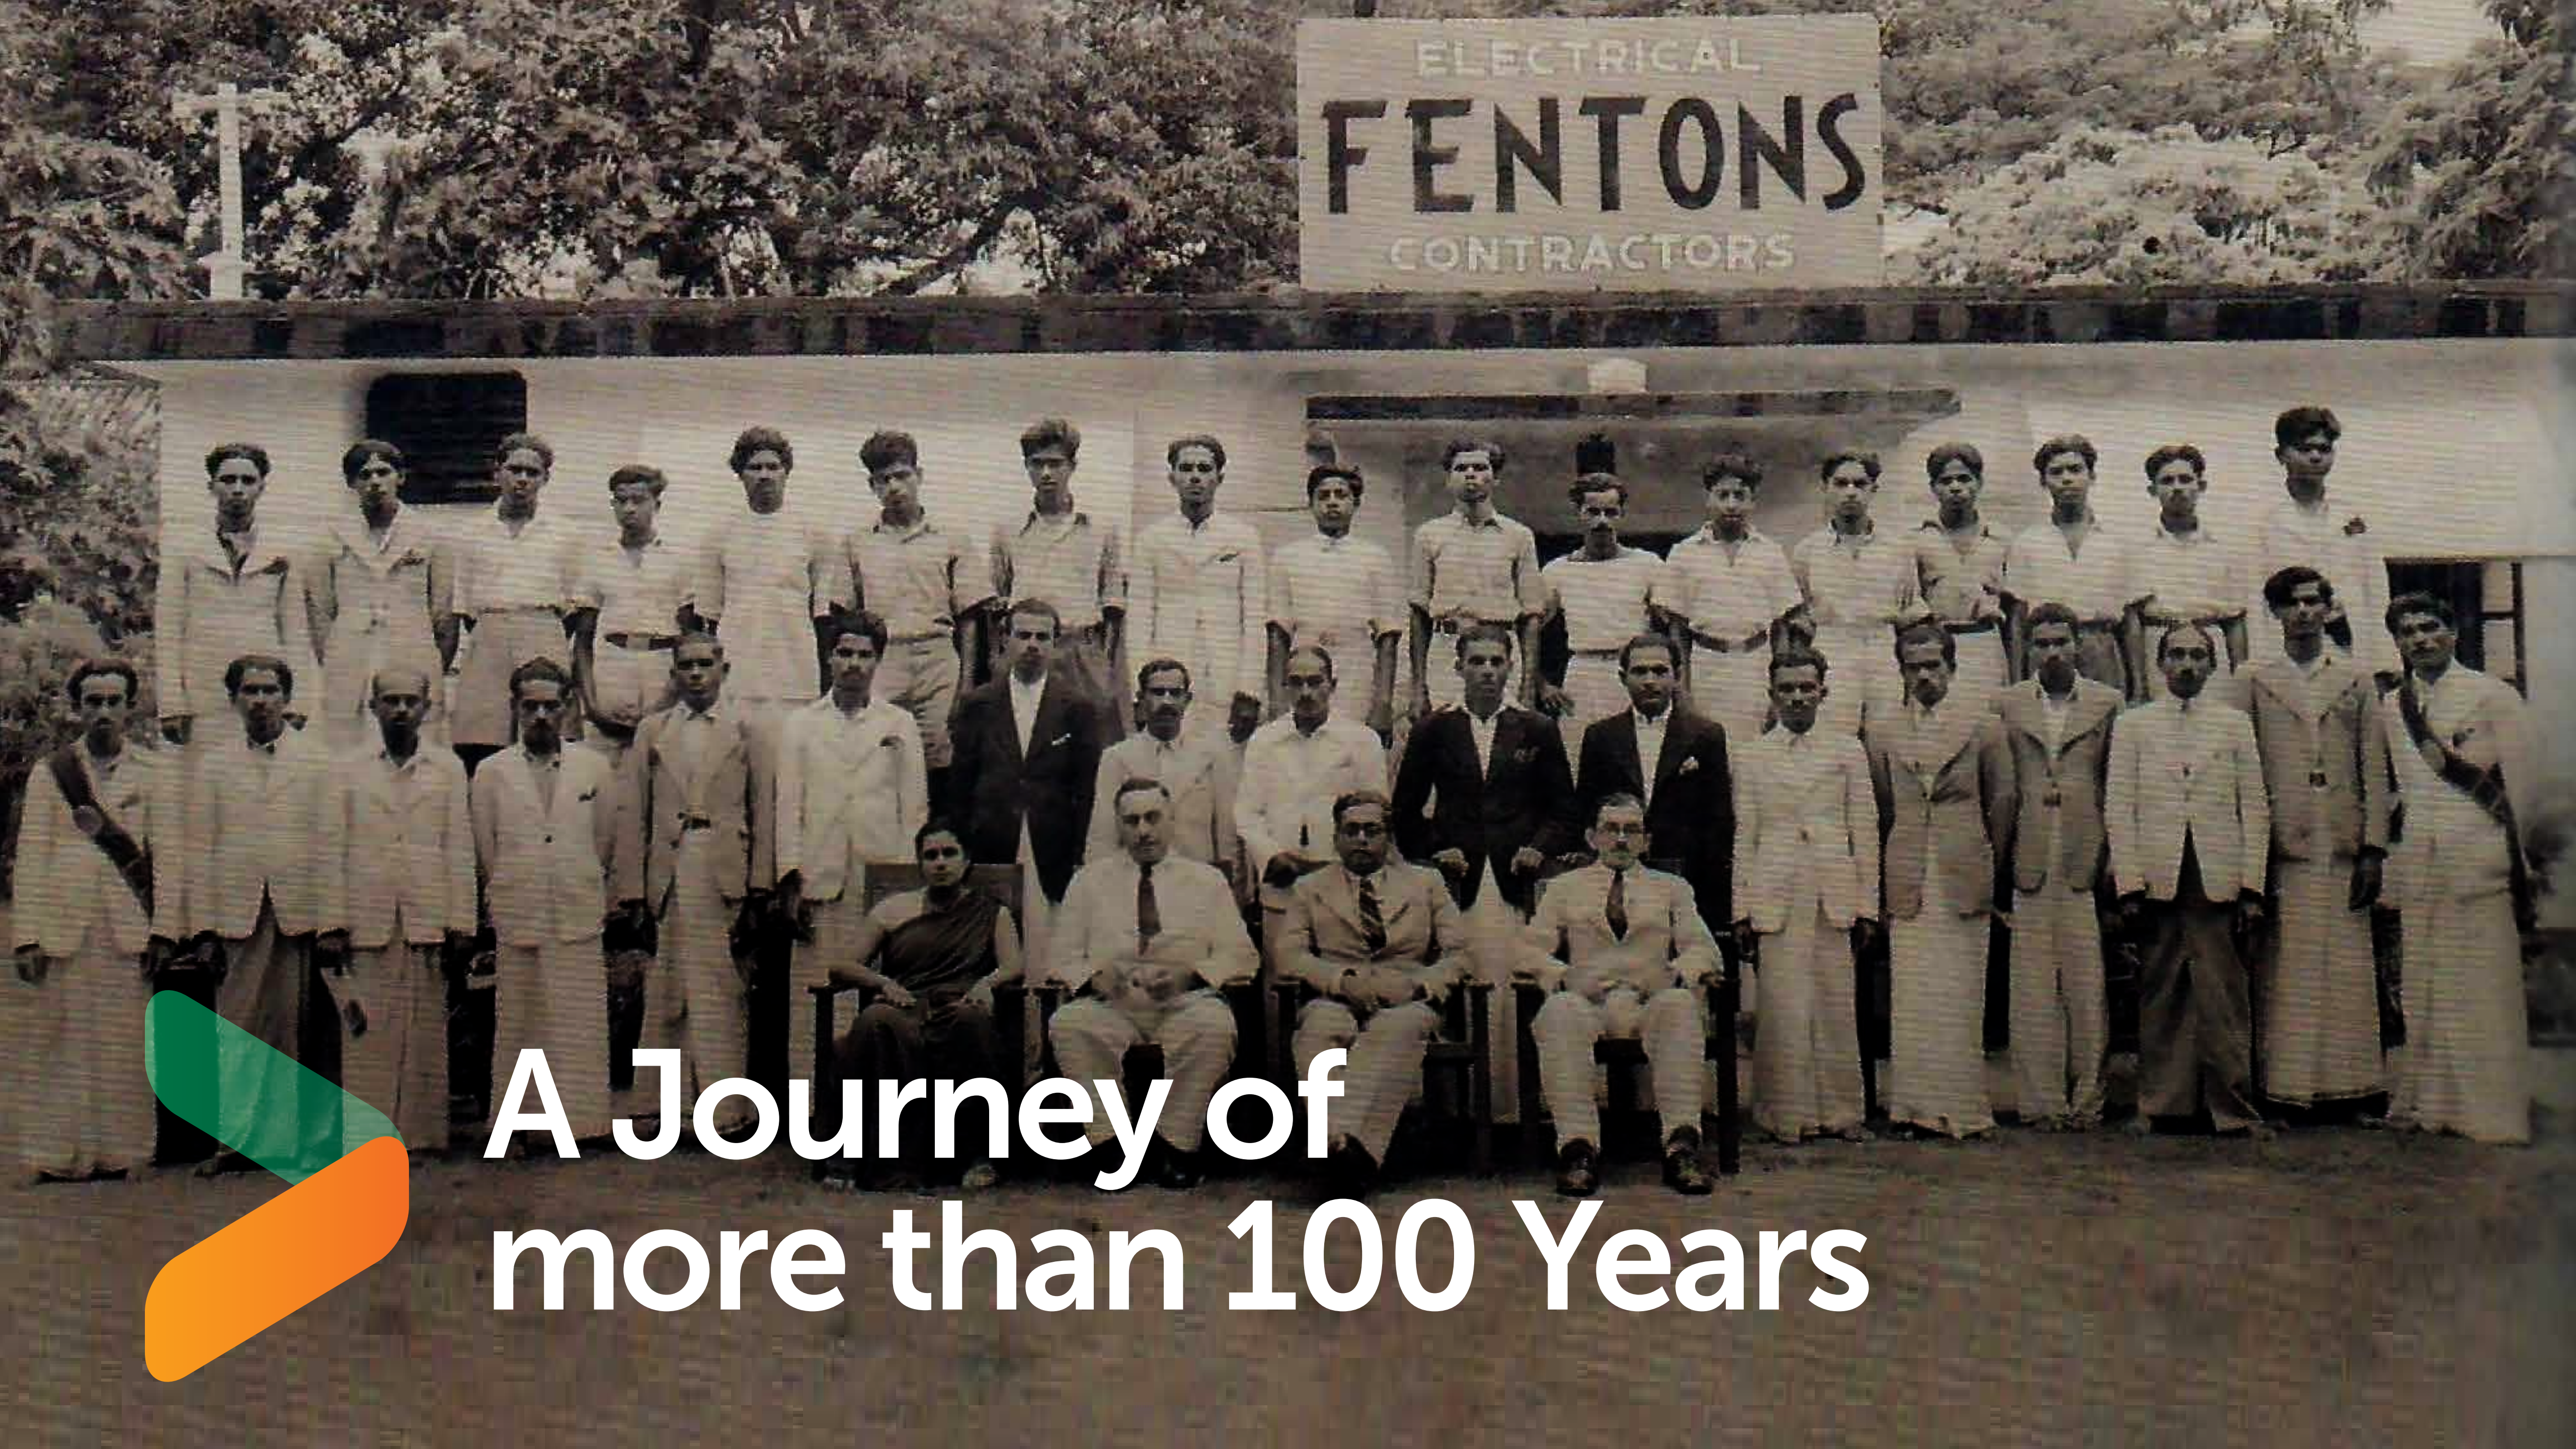

A company renowned for their excellence in service delivery and exceptional client service, Hayleys Fentons is focused and places much emphasis on the value of engineering and innovation, to provide a diverse range of services enhanced by cutting-edge technology to its customers.

“

Sustainable
& Innovative
Engineering
Services for a
Better Life

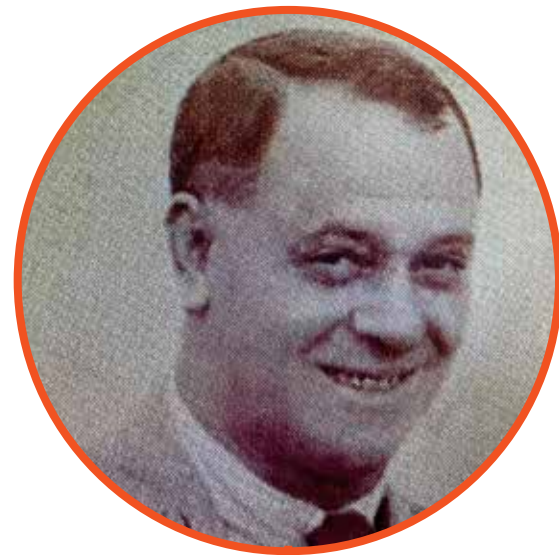

”

**A Journey of
more than 100 Years**

1919

British Chartered
Electrical Engineer
Herbert Fenton
established Fentons
Limited at Union Place

1943

Following Herbert
Fenton's retirement,
the management of
the company was fully
vested in the hands of a
local Management team

2000

Establishment of
Energy net Pvt Ltd

2012

Introduction of Fentons
Smart Facilities (Pvt) Ltd,
focusing on providing
maintenance and
facilities management
services

2019

With the acquisition of
99.97% of the equity stake
by Hayleys PLC, Fentons
Limited was re-branded as
Hayleys Fentons.

2020

Hayleys Fentons
acquired the
management of
Hayleys Electronics

2024

Fentons Limited
transitions to
Hayleys Fentons
Limited

1921

Fentons was registered
as a limited liability
company

1977

The company
embarks on a
major diversification
drive, moving into
the electronics and
telecommunications
fields

2011

Establishment of
the renewable
arm of Hayleys
Fentons, Fentons
Solar Energy
which focuses on
providing solar
services

2016

Hayleys PLC acquired
75% of the equity stake
of Fentons Limited after
more than 7 decades
of ownership by the
Abeyaratne family

2019

Fentons Solar was
re-branded as
Hayleys Solar.

2022

Nex-Gen
Engineering
Studio was
launched

Our Leadership

Defining the future, giving direction, nurturing talent, providing opportunities, and empowering teams to deliver nothing but the best, have been the ethos that our leadership has valued, over the years. The trust and confidence we have earned from our customers, for over a hundred years, stands testimony to the culture and work ethic that has been instilled over the years.

“As the nation's leader in Engineering Services, our overarching purpose is to bring Sustainable and Innovative Engineering Services for a Better Life”

Mr. Hasith Prematillake
Managing Director

Corporate Management Team

1.Hasith Prematillake – Managing Director
2.Sujith De Alwis – Executive Director / CEO
3.Roshane Perera – Executive Director / CEO
4.Pamudith Gunawardana – Director Chief Financial Officer
5.Roshani Dharmaratne – Director – Business Development
6.Jayendra Fonseka – General Manager – SSD

7.Yoosoof Iththisham – General Manager – ICT
8.Roshan Perera – General Manager – MEP Projects
9.Ruwan Kumara – Head of Supply Chain

11.Clyed Gabriel – GM – Engineering Sales
12.Mahesh Abeywickrama - DGM - Engineering Sales
13.Nanduni Dahanayake - Manager - Marketing & Corporate Communication

THE BUSINESS EXCELLENCE AWARDS

The National Chamber of Commerce of Sri Lanka

Awards and Accolades

Hall of Fame

Our shelves are stacked with awards that recognize our commitment to engineering excellence. From prestigious National Industrial Excellence Awards to acknowledgments for service and innovation, we've earned Silver, Gold, and Runner-Up titles across sectors like construction, sustainability, and technology. These honors reflect our dedication to innovation and exceptional service.

Prioritising People and the Planet

ESG

FRAMEWORK

Beyond the commercial boundaries of an organisation lies the responsibility of safeguarding longevity of the People and the Planet

Environment

Complying with ISO 14001:2015 environmental management system and ISO 50001:2018 Energy Management system

Reliance on sustainable and renewable energy sources

Reduction in energy intensity through improving operational efficiencies

Reduce our absolute carbon footprint

Social

Complying with ISO 45001:2018 Occupational Health and Safety Management System, ISO 9001:2015 Quality Management System

Complying with ISO 9001:2015 Quality Management System

Governance

Uplifting livelihood and empowering communities

Exploring to achieve mutual growth by promoting sustainable practices throughout the supply chain, while also improving our customer strategy and adapting to customer demand through innovation

Incorporates ethical codes for better stakeholder, risk, and decision-making management; transparency; accurate reporting; and overall business practices that are in line with the Hayleys Group Lifecode.
